Electronic format is attached.

Question # 4 This question is addressed to Cumberland Valley Electric, Inter-County Energy Cooperative Corporation, Farmers Rural Electric Cooperative Corporation, and Jackson Energy Cooperative. Refer to the cooperatives' responses to Staff's First Request, Item 8. State whether the average usage amounts listed in the responses are for the actual average residential customer or for the actual average customer. If the usage amounts are for the actual average customer, provide the information for the average residential customer.

Response: The usage amounts are for the average residential customer. The worksheet item 1, Page 1 of 2 has been updated to include the word "Residential" where appropriate.
